## Outpatient Ultrasound Summary Sheet

We do not assume care of patients when they are referred for outpatient ultrasound unless critical/life-threatening results are found and the RDVM cannot be reached in a timely manner.

If your patient needs to transfer to our clinic, please use our Transfer Summary Sheet instead.

Transferring Clinic	
RDVM Name and Contact Information	
Patient Name and Signalment	
Completed Diagnostics, Note Abnormalities	
Medications	

- Send patient records for our reference to [urgentpetcare@urgentpetcareomaha.com](mailto:urgentpetcare@urgentpetcareomaha.com) before considering this summary sheet complete
